

COMPANY PROFILE

THE COMPANY

Joblift was founded in 2015 by Lukas Erlebach. The company currently employs approximately 70 team members in Hamburg, Berlin, London, and San Diego.

THE PRODUCT

Joblift is a job search platform that scours over 4,000 partner job boards and uniformly compiles employment offers on one site. What sets Joblift apart from other job portals? A highly intelligent search algorithm, precise filters for more personalized search results, as well as intuitive navigation and user-friendly design. Additionally, job seekers can sign up to receive regular job alerts via email.

THE FOUNDER

Prior to founding Joblift, Lukas Erlebach was the head of the German market for Zalando, as well as a project leader for the Boston Consulting Group.
